

## Two new booklets from CTS by Fr Bernard Ducruet OSB

Translated by Fr Giles Conacher OSB

Spiritual combat is the lot of every one of Christ's Disciples. Too often, the idea seems off-putting, and a good number of Christians think that it has little to do with them. However, no one is exempt from it. To help us discover its merits, Fr Bernard Ducruet, OSB offers us some of the essential facts about spiritual combat. He shows us how this combat is, above all, a source of growth in charity. This simple, profound, and enlightening teaching will be of great benefit to everyone who prays and seeks greater union with Christ.

Trials quickly take Peace away from us. Does this mean peace of heart is impossible? No, for Jesus himself promised it to us. There is peace beyond our trials, but we do not receive it according to the way of the world. Fr Bernard Ducruet, through teaching marked by the Spirit of St Benedict, leads us to welcome the peace as a limitless gift of God and the fruit of struggle.

Both books available from the Abbey shop.
